

## Bola Accessories

*Bola "ties" have long been associated with western attire but over the years many creative designers have modified the bola to the point where it has evolved into a personal fashion statement. Using glass stones, cameos and custom stitched motifs, this accessory is often used for more sophisticated venues than the local dance hall. Indeed, the local lodge uses a bola tie as part of their formal attire at official meetings.*

**2784FD** 36 inch woven black rayon bola cord. **\$32.00/50; \$9.60/10; \$1.45 ea**

**2790FD** These deluxe bola slides are 18x14 with a three part silver (nickel-plate) spring loaded slide that works by pressing a button, moving the slide, then releasing the button to lock in the slide in place. **\$30.00/50; \$9.00/10; \$1.35 ea**

**3405FD** Silver flip clamp bola slide for leatherette cord has hinged plate which clamps cord when flipped down, releases cord when flipped up. **\$26.00/50; \$7.80/10; \$1.20 ea**

**3409FD** Friction grip bola slide has 13mm clear plastic pad for cementing to ornaments. Cords can be removed by sliding them through space between cord channels, so ornament can also have a pinback for alternative use as brooch. Gold metal. **\$13.00/50; \$3.90/10**

**7636FD** Copper clad steel friction bola slide has riveted 13mm gluing plate. **\$10.00/50; \$3.00/10**

**2783FD** 36 inch braided leatherette (vinyl) bola cord. Turquoise/white, pastel pink, red, black/silver, black/gold, white/silver, white/gold, gold, silver, gold/silver, bronze, metallic pink, metallic red, metallic purple, metallic green or metallic blue. **\$16.00/10; \$2.40 ea**

*You can use these leatherette bola cords to make a colorful necklace with a hanging pendant and even eyeglass holders! Clamp a cord crimp end, Pg. FD-15, on the bola tip and attach to an eyeglass holder using a connecting ring if necessary.*

**Underlined words and sizes** indicate choices to be made when ordering.

**7672FD** Simple 9x7 slide bar can also be used as a scarf slide. Embellish with seed beads. Silver or gold. **\$8.00/100**

**3482FD** Both head and tail of this 55mm 3-D snake bola tip *set* have detail in relief and fine surface texture; head has indentations in which pointback rhinestones can be set for eyes (3486GS, Pg GS-5 *Glass Stones* catalog section). Tapered holes take bola cord ends nicely. Sterling plate or 18k plate. **\$20.00/10 sets; \$3.00 set.**

**2775FD** 1 inch long tapered bola tip has texture of fine grooves. Tip is hollow so cord can be inserted and cemented in place. Sterling plate: **\$17.00/50; \$5.10/10**  
18k plate: **\$20.00/50; \$6.00/10**

**3091FD** 41mm filigree cone works great as a bola tip, loop allows dangles to be added. Brass: **\$49.00/50; \$14.70/10; \$2.25 ea.**  
Sterling plate: **\$58.00/50; \$17.40/10; \$2.60 ea**
