## Rhinestone Setters

**8333TS** Great value on this imported medium-duty tabletop rhinestone setter. Sturdy enough for most rhinestone setting projects. For use with flatback rhinestone sizes 20SS to 34SS. **\$8.00 ea**

**1305TS** Tiffany setting machine is set up for use with flatback rhinestone sizes 20SS to 34SS. **\$15.00 ea**

**7347TS** Devcon™ 2 part epoxy glue is not messy, measures evenly with the convenient dispenser and sets up in 30 minutes, can be handled within 2 hours and bonds to full strength (2 tons) after 8 hours. Great for glass, metal and wood. 25 ml. **\$4.95 ea**

## Bead Stringing Wheel

**8283TS** String loose beads fast with the amazing bead spinning wheel. Includes 2 needles & instructions. Spinning wheel: **\$29.95 ea**  
Needle: **\$3.50 ea**

## Bead Spinners

*Spin & Store*

**9728TS** Compact bead spinner has 4.25 inch "lazy Susan" hardwood wood platform, non-scratching cork base. Three 8 oz. covered bead cups Velcro™ to the platform, allowing a quick and easy interchange of three working bead colors. **\$25.00 ea**

## Glues & Adhesives

**9962TS** Zap-A-Gap™ instant adhesive bonds virtually anything including oily surfaces. Especially good for bonding upeye hangers or bails to glass. 5 oz. bottle. **\$5.50 ea**

**8692TS** Space age Special 'T' instant glue works perfectly with "Illusion" monofilament, 8302TS, Pg. TS-4. 1 oz. **\$9.50 ea**

**7578TS** Secure knots with Hypo-tube cement. Precision applicator places clear liquid just on your knot, soaks in for good bond. .33 oz. **\$5.75 ea**

**7760TS** Jewel Glue™ clear fabric glue for jewels, beads and rhinestones is washable and dry cleanable. 4 oz. **\$5.50 ea**

**9893FD** Gem-Tac™ adhesive bonds gems, sequins, glitter and rhinestones to fabric. Ideal for attaching rhinestones to porous material (fabric, wood, suede) without damaging the metallic backing. Gem-Tac™ dries crystal clear and is washable. 4 oz. bottle. **\$7.50 ea**

**E-6000™** multipurpose cement will bond virtually any material to any other material. It comes out of the tube thick enough to hold stones with rounded or pointed backs. If too thick for some uses, keep tube in hot water while using. It can also be used to bond ornaments to fabrics which have some nap. After curing, E-6000 is nontoxic, so it can be used for collaging on plates, goblets, etc. **2779TS** 3.7 oz. **\$45.00/12; \$5.65 ea**  
**2780TS** 1 oz. **\$30.00/12; \$3.75 ea**
